“We have Pinseeker equipment and furniture across both courses at Woodhall. As part of our commitment to the environment we were looking for some waste recycling stations. We chose the wood effect ProPlex™ from Pinseeker. They are so realistic and look great around the clubhouse. Even better as they require virtually no maintenance. We will certainly use them again”.

- S. Rhodes, Courses Manager at Woodhall Spa Golf Club

# ABOUT US

Presentation on the golf course is everything. It cannot be underestimated that it is important to make sure your club is making the most of what it has to offer.

If you're planning on improving your club's equipment, presentation or signage; at Pinseeker, we can make sure that your branding is sharp, consistent and appealing.

Let us help you stand out from the rest with our extensive range of bespoke, hand-crafted golf course and clubhouse signage, complimented by a range of golf course equipment, including: flags, flag pins and other course accessories.

Everything your club could need to furnish your course from tee to green and car park to clubhouse.

Contact Pinseeker today for a free, no obligation consultation and see how our business could help yours.

For more info on Pinseeker and our great products please visit the website

WWW.PINSEEKER.CO.UK

# INTRODUCING PROPLEX™: THE SUPERIOR MATERIAL

Even the highest quality hardwoods will warp, fade and very quickly lose their original appeal. ProPlex™ rivals wood as the material of choice for numerous applications. Our wood grain material has classic organic lines and is free from artificial shapes or repeat patterns.

Unlike wood, ProPlex™ never needs to be sealed, stained or painted. The material is highly resistant to stains and a simple clean with soapy water is all that is required under normal circumstances.

At Pinseeker, we are always trying to push the boundaries of innovation and technology to spawn new ideas and products in the market. As the ProPlex™ range continues to evolve, so does our ability to solve problems brought to us by our customers.

*Wood never  
looked so  
good...*

**Environmentally Friendly**  
Made from 100% post consumer HDPE.

**Guaranteed**  
50 year limited warranty.

**Ultimate Durability**  
Will never rot, splinter or crack.

**UV & Weather Resistant**  
Proven in all weathers around the world.

**Weathered Finish**  
Virtually indistinguishable from natural timber.

**Low Maintenance**  
No surface finished to repaint or stain. Simply clean with soapy water.

# NOT AN ALTERNATIVE, AN EVOLUTION.

Performance and cost are still significant factors when making decisions on suppliers and materials but never has it been more important to consider the environmental impact our decisions.

Choosing products manufactured from recycled plastic material diverts products from landfill and helps minimise your environmental impact.

Recycled plastic also requires less maintenance and now, with ProPlex™, looks just as good as real wood.

ProPlex™ can help you make that change without compromising quality or cost.

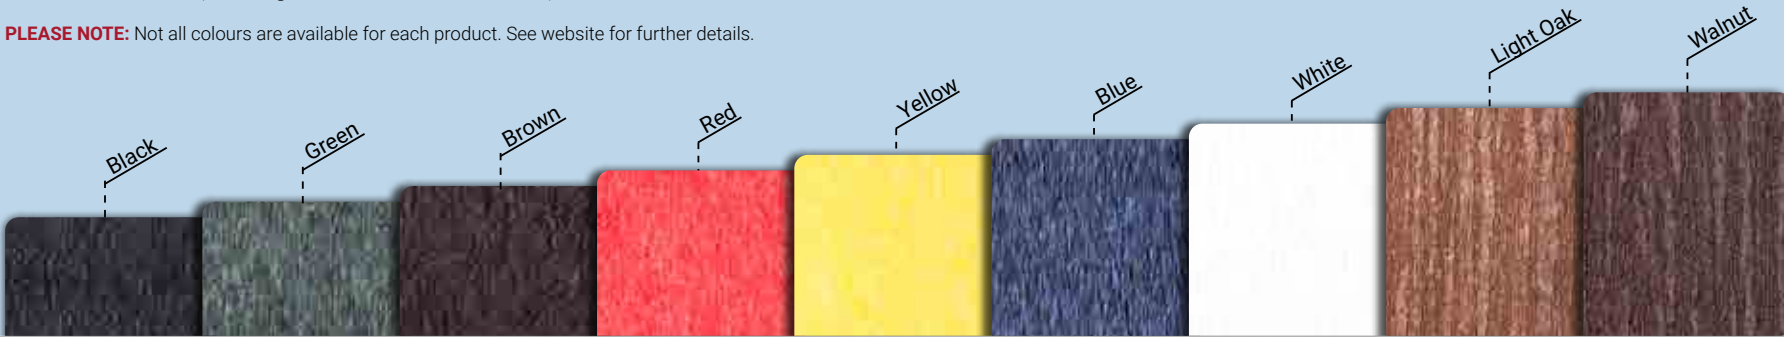

Choosing ProPlex™ is the smart choice for both your club and the environment.

## Available in a Wide Range of Colours

Mix and match colour combinations to suit your personal taste, brand or environment. All colours are highly stable due to UV pigmentation that helps resist breakdown from prolonged sun and weather exposure.

**PLEASE NOTE:** Not all colours are available for each product. See website for further details.

# COURSE ENTRANCE SIGNS

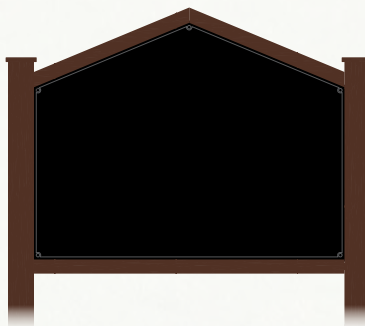

An entrance sign sets the tone of your course and our's come in a wide range of shapes, sizes and materials to help you make a great first impression.

Visit the website or call us today to discuss your bespoke entrance sign requirements.

Dimensions from: 1300mm (w) x 2400mm (H)

Product Code: **ENT-PP-1300**

Product Code: **PP-PT-1300**

# FINGER POST SYSTEMS

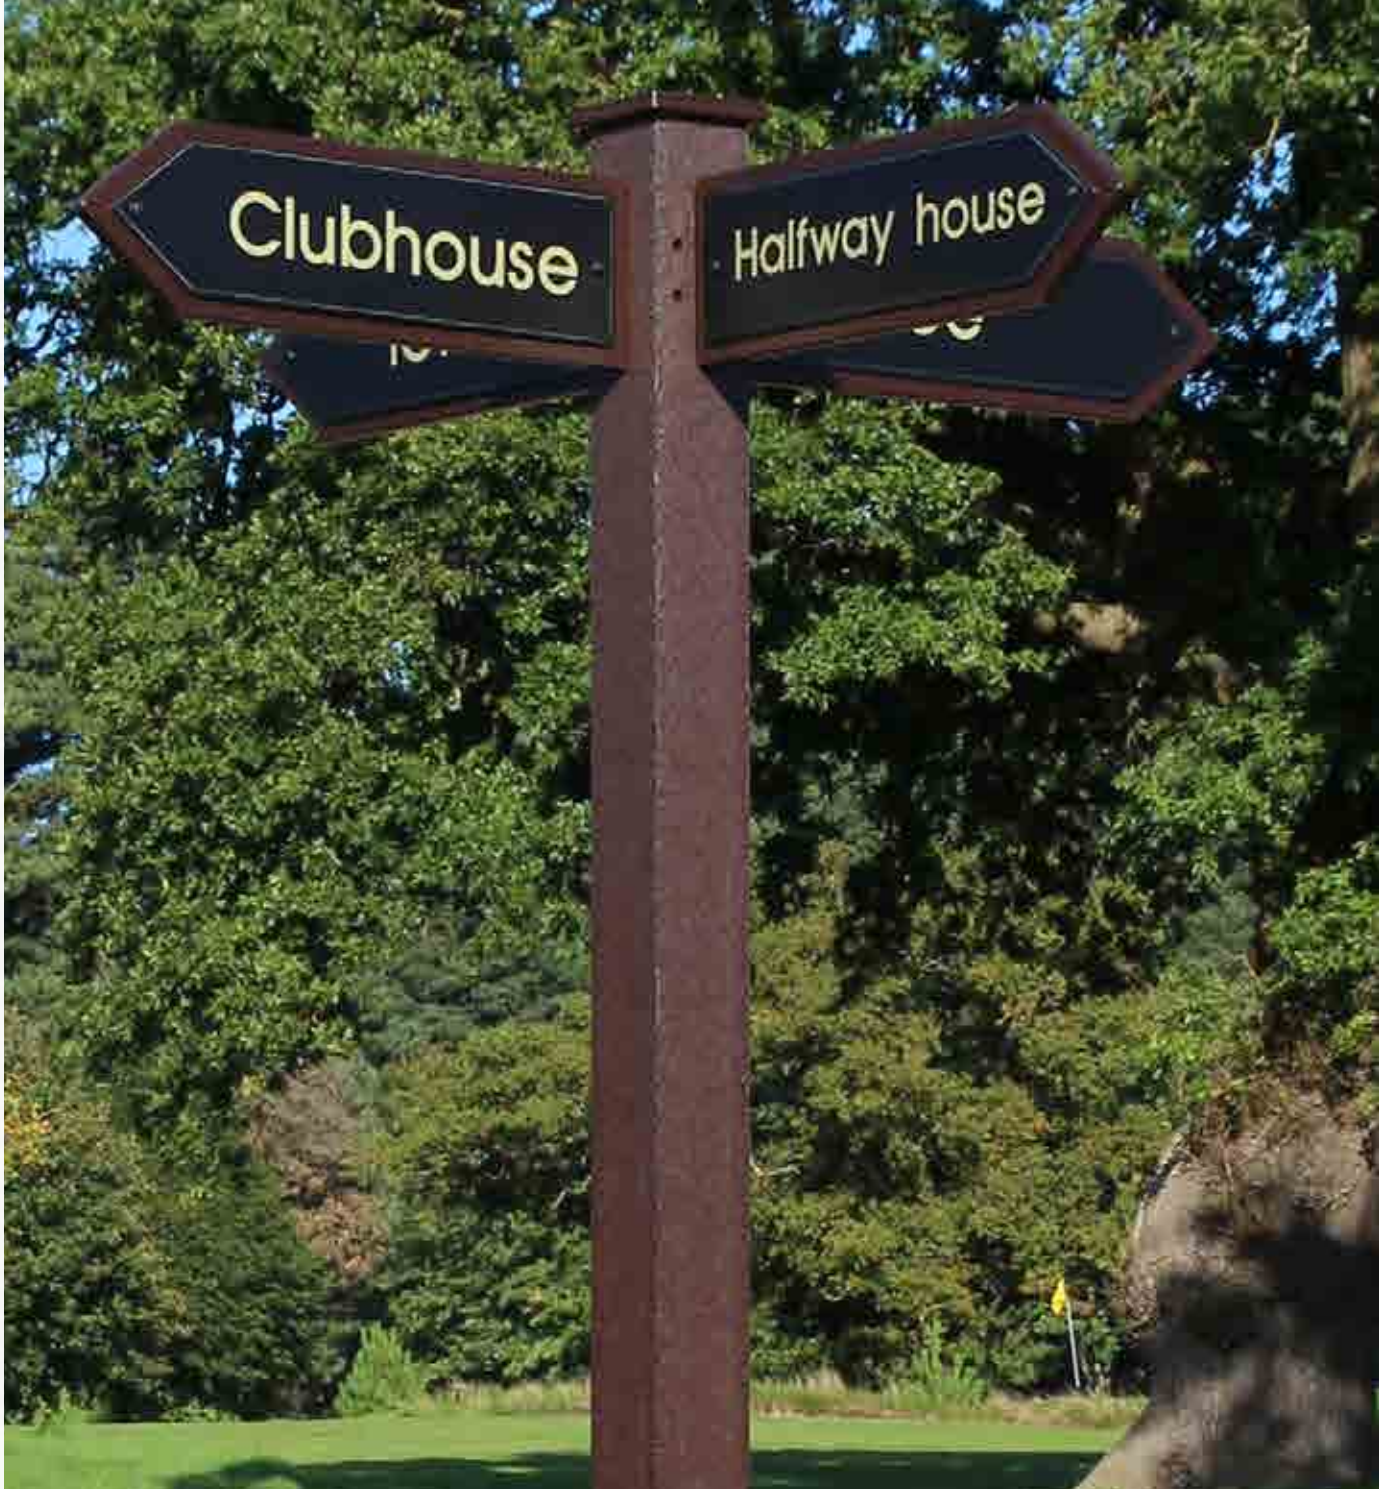

Our finger posts stand tall and provide clear direction around the course.

With a choice of etched zinc or printed vinyl message panels and available in both ProPlex™ and hardwood, we have the perfect post to suit both your existing onsite signage and your budget.

## KNOW THE FACTS

It takes 700 years for a plastic bottle to biodegrade. Since introducing ProPlex we have recycled over 1000 tons of landfill and ccean bound plastics into high quality signage around the world.

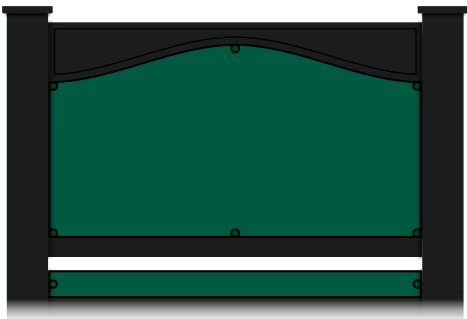

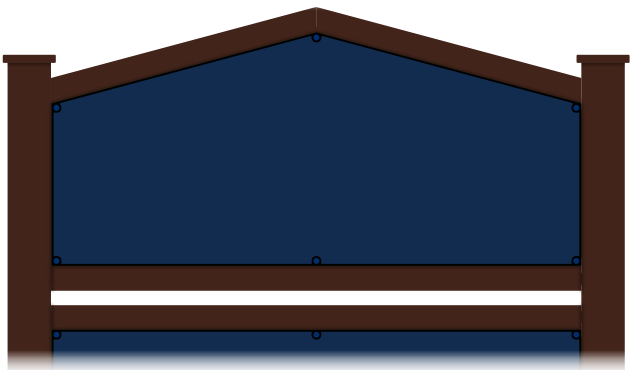

# COURSE INFORMATION SIGNS

Golf course information signs need tailoring to the venue and form part of a larger way finding system. Our solutions can include, course maps, weatherproof clocks, sliding and hanging message slats as well as waterproof poster holders.

Our golf course information signage products are made from high quality durable materials and designed to last in all weather conditions. Speak to a member of our team to enquire about customising your bespoke solution.

## Choose your Size and Shape

Choose from a selection of frame sizes and pick it's shape.

## Add Additional Features

Then add your additional features. These might include additional engraved message slats, an A4 snap frame to hold printed documents or even a waterproof clock.

## Course Map Graphic

Digitally created courses map graphics are also available. Get in touch today to see what we could do for your course.

# TWIN POST SIGNS

From car park to tee signage, Pinseeker's Twin Post Signs are a classic in design. They stand proud and display your chosen message clearly. Available in a range of shapes, sizes and materials together with the option of a sponsor panel fitted under the main header, we are confident that there is a twin post sign to suit your needs.

Car Park Signs

Good car park signs exude quality and convey a positive message for your golf course or hotel.

Tee Signs

Often the focal point of your course signage, we are specialist golf tee sign manufacturers who can design and supply bespoke signage for your course and surrounding needs.

Directional Signs

Keep your members on the right path or advertise the facilities at the clubhouse with our directional twin post signs.

# Beautifully crafted Signage

Manufactured in ProPlex™ ensuring you never have to paint or restrain your signs ever again.

# SINGLE POST TEE SIGNS

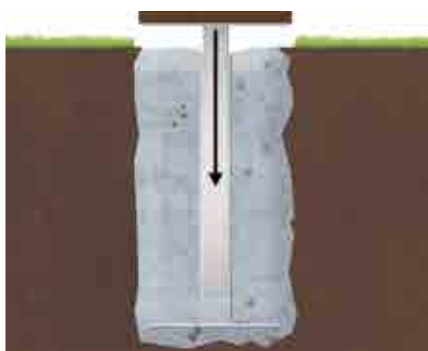

The Single Post Tee Sign has been a firm favourite with Golf Course's through Europe for many years now.

A relatively simple design, the single post tee sign has become a true classic that provides a relatively cost-effective solution for many golf courses.

We supply a full array of mounted plaque options, including etched zinc, solid bronze and digitally printed dibond.

The printed dibond in particular makes this a viable choice for most budgets.

All our single post tee signs are supplied complete with a two part stainless steel ground socket.

# MOW OVER SIGNAGE

For an uncluttered and minimalist look our mow over tee and yardage signs are the perfect solution. Providing a subtle and stylish marker, the mow over is available in hard wearing and highly visible recycled plastic, with the added advantage of being virtually zero maintenance and simple to fit. For something extra special, we can supply the markers in solid bronze. Cast here in the UK, bronze is the one material that gets better with age!

## Recycled Plastic Tee Signs

Available in a range of colours to suit your tees, engraved into robust recycled plastic for strength and with the option of an engraved logo or resin domed branded decal.

Product Code: **FW-120**

## Fairway Markers

Made from the same recycled plastic as our Recycled plastic tee signs and available in the same colour combinations.

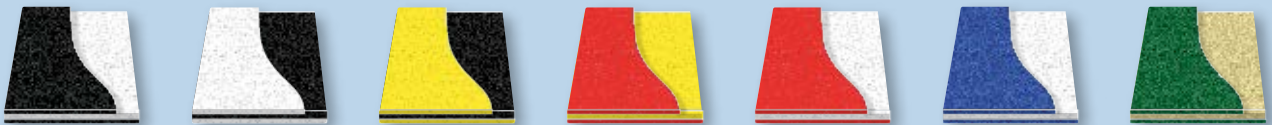

Product Code: **FW-106**

## Granite & Bronze Mow Over Signs

For that extra touch of class we also have mow over signage available in natural granite and bronze with an optional sandstone plinth. Get in touch today for more info

Product Code: **MOW-1**

Recycled Plastic Mow Overs are available in many different colour schemes.  
Get in touch today to find out more info.

# TEE MARKERS

ProPlex™ Tee Markers will never need to be painted or restained

## ProPlex™ Cube Tee Marker

Gives many years of service without the need to ever repaint and comes complete with a printed coloured vinyl band, resin encapsulated logo decal and a screw in stainless steel ground spike.

Product Code: **TM-PP-CUBE**

## ProPlex™ Wedge Tee Marker

Robust and maintenance free. The wedge tee markers comes complete with a digitally printed vinyl logo decal and a stainless steel screw-in ground spike.

Product Code: **TM-PP-WEDGE**

## ProPlex™ Coloured Core Tee Marker

Simple yet innovative, a length of our ProPlex™ with a coloured core running through it which is available as an upright or log and supplied with a screw in stainless steel ground spike.

Product Code: **TM-PP-(UP/LOG)**

## Hardwood Octagon Tee Marker

Hand made from high quality ethically sourced African iroko and finished with Teknos timber protective coating. The octagon marker is available with zinc, bronze or an engraved logo top. The octagon tee marker really is the next level of luxury.

Product Code: **TM-OCT-95**

## Hardwood Augusta Tee Marker

Manufactured using ethically sourced African hardwood iroko and finished with Teknos timber protective coating. Available in an upright or log Style. The marker is comes complete with a waterproof resin encapsulated logo decal and a stainless steel screw-in ground spike as our Octagon Tee Markers.

Product Code: **TM-AUG-(UP/LOG)**

# PROPLEX™ FAIRWAY DISTANCE MARKER POSTS

Our fairway distance markers stand at 600mm above ground level, come complete with an aluminium ground socket and are available in green, brown and black ProPlex™.

White resin infill is standard for lettering though custom colours are available on request.

Product Code: **FW-300**

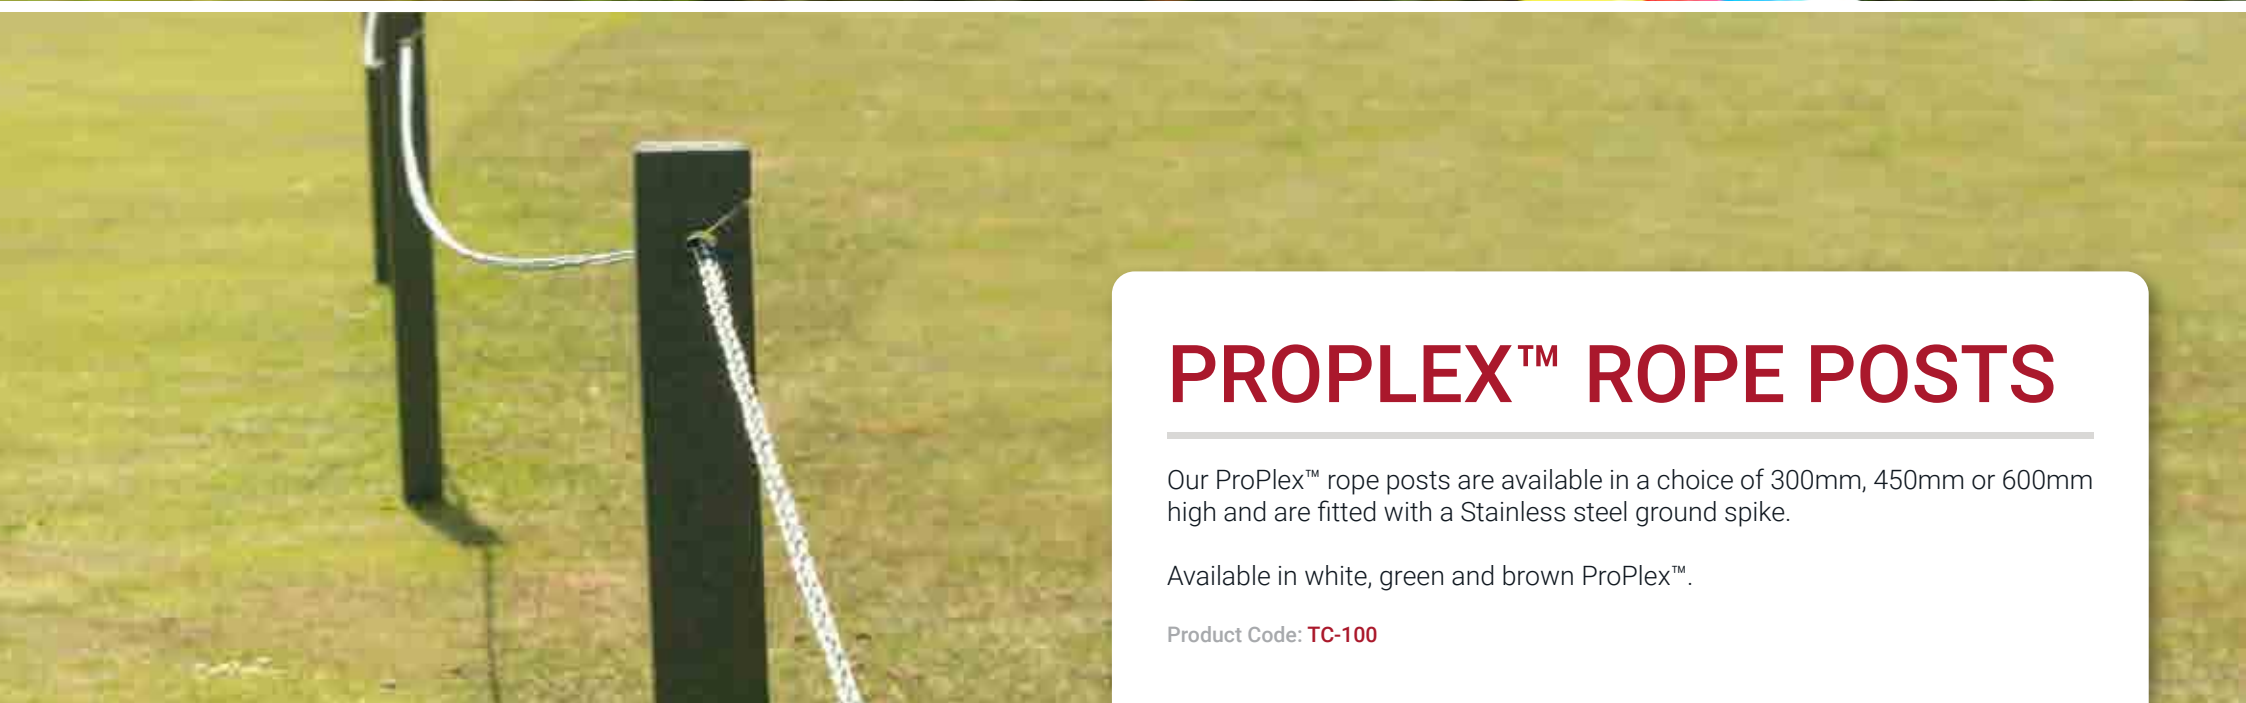

All ProPlex™ fairway distance markers come with a aluminium ground socket as standard.

# PROPLEX™ HAZARD MARKER POSTS

Our ProPlex™ hazard marker posts feature a square section body that won't rot or fade and are supplied fitted with a stainless ground spike for ultimate longevity. Available in red, yellow, white or blue ProPlex™ and in a choice of 300mm, 450mm or 600mm high.

Product Code: **FW-103**

# PROPLEX™ ROPE POSTS

Our ProPlex™ rope posts are available in a choice of 300mm, 450mm or 600mm high and are fitted with a Stainless steel ground spike.

Available in white, green and brown ProPlex™.

Product Code: **TC-100**

# PROPLEX™ DIVOT BOXES

Stylish and robust, our ProPlex™ divot boxes come in either a single or dual colour scheme and an optional logo that is a printed embossed decal as standard but can also be provided in etched zinc or machine carved subject to suitability.

## KNOW THE FACTS

13 billion plastic bottles are disposed of every year.

## ProPlex™ Backsaver Divot Boxes

Our “Backsaver” divot boxes are extremely robust and compliment the range of ProPlex™ furnishings creating a consistent and professional feel to your golf course. Available in the full range of of colours and wood effect finishes and includes a divot scoop.

Product Code: **LB-PP-107**

## ProPlex™ Divot Boxes

The classic divot box design. As with the backsaver divot boxes these are available in over 25 colour combinations and an option for a printed logo decal or engraving.

Product Code: **LB-PP-108**

# PROPLEX™ ACCENT LITTER BINS

Stylish and robust, our ProPlex™ accent litter bins are engineered and built to last. They come with the ability to load from all four sides and include a 90ltr plastic coated wire mesh liner. Available in the full range of of colours and wood effect finishes.

## Logo Options

Choose from having no logo, a printed vinyl decal, etched zinc, or an engraved logo.

## Over 25 Colour Schemes Available

Mix and match from a variety of different colour ProPlex™ that add up to over 25 colour schemes to find the perfect look to suit your course.

Product Code: **LB-PP-100**

## Virtually No Maintenance

Just like all of our ProPlex™ products, our Accent Litter Bins require virtually no maintenance. No staining every year, no weather protection, just years of service.

The large **90ltr capacity** means the bins don't need to be emptied as often and are **ideal for the course or outside high traffic areas** like the clubhouse, Pro-shop or halfway house.

Visit the website for more details  
**WWW.PINSEEKER.CO.UK**

## KNOW THE FACTS

The average person in the UK throws away their own body weight in rubbish every 7 weeks.

# PROPLEX™ PLANTER LITTER BINS

Same footprint as our “Accent” litter bin but with reduced height, also available in a single or dual colour scheme.

The optional logo detail can be carved and colour filled, carved and left natural or a digitally printed boss. Solid or hole version lids available with or without locks.

When supplied without the lid they make great planters too. Supplied complete with plastic coated wire mesh liner.

The large **90ltr capacity** means the bins don’t need to be emptied as often and are **ideal for the course or outside high traffic areas like the clubhouse, Pro-shop or halfway house.**

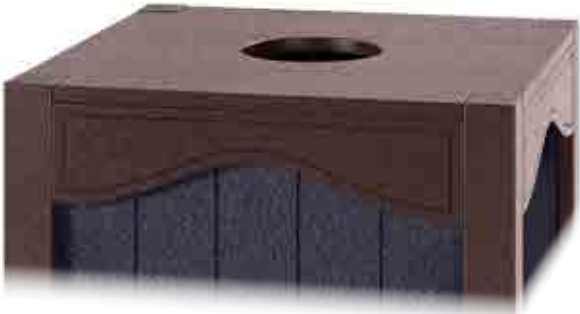

## Logo Options

Choose from having no logo, a printed vinyl decal, etched zinc, or an engraved logo.

## Over 25 Colour Schemes Available

Mix and match from a variety of different colour ProPlex™ that add up to over 25 colour schemes to find the perfect look to suit your course.

## A Choice of Different Lid Styles

Our ProPlex™ Planter Bins come with a hole in the top for litter as standard. However, you can request a solid lid and handle if you prefer. Hinged lids are also available on request.

Product Code: **LB-PP-200**

## PROPLEX™ LITTER BIN CONSOLES

By combining our ProPlex™ Planter Litter Bin, a ProPlex™ Ball Washer Mounting Post and a Ball Washer you can create a console that is perfect for any course, with a level of customisation that can make for a truly bespoke piece of furniture. There are over 25 colour schemes available and various styles of logo decal. There's even an option for a tee sign plaque that can be mounted directly to the Ball Washer Post.

visit the website today for more details.

### KNOW THE FACTS

There's enough plastic thrown away every year to encircle the earth four times.

## PROPLEX™ RECYCLING STATIONS

Sorting and recycling your waste is the right thing to do.

This is now easier with our dedicated range of recycling stations. Allowing for easy waste separation and available in 2 and 3 bay configurations. With a colour combination to suit that includes wood effect light oak and walnut finishes.

The large 90ltr capacity for each bay means the bins don't need to be emptied as often and are ideal for outside high traffic areas like the clubhouse, Pro-shop or halfway house.

# PROPLEX™ PRACTICE FACILITY FURNITURE

Whether it's preparation for a tournament or a teaching session, players of all handicaps spend hundreds of hours trying to improve. The best products contribute to this pursuit without getting in the way.

Visit the website for more details  
**WWW.PINSEEKER.CO.UK**

## A-Frame Signs

Our ProPlex™ A-Frame can display any necessary messages and can include slide in/out engraved numerals or more permanent etched messages directly to the board.

Product Code: **AF-PP-100**

## Bag Stands

Combine our Bag Stands with the ProPlex™ Bay Dividers and Ball Crates to create a practice facility to be proud of.

Product Code: **BS-PP-100**

## Golf Ball Crates

Made from wood effect ProPlex and available with either a 350 or 150 ball capacity. They can also be customised to display your golf course logo.

Product Code: **BC-PP-(350/150)**

## Bay Dividers

Create a consistent, branded look and section off your driving range in style with our ProPlex™ Bay Dividers.

Complete with stainless steel ground spikes.

Product Code: **BD-PP-(200/100)**

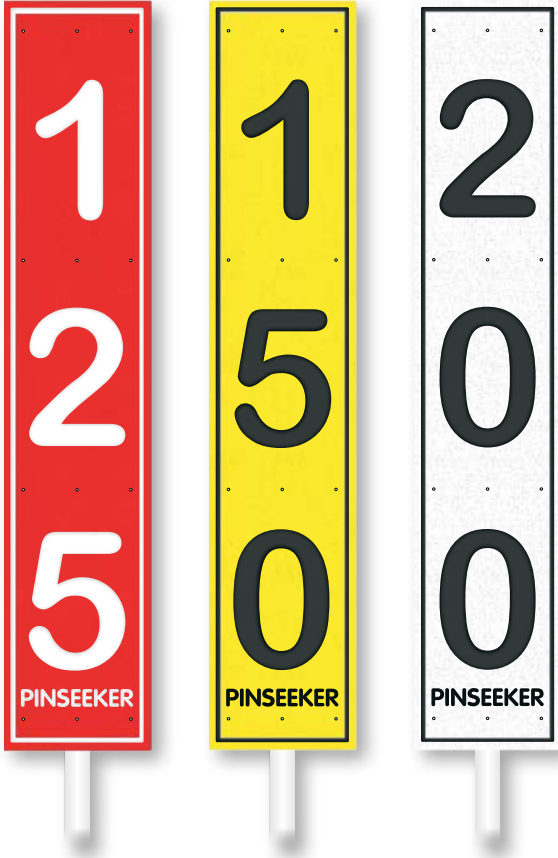

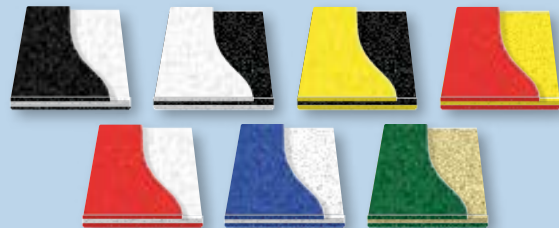

# RECYCLED PLASTIC RANGE BANNERS

If being battered by high winds and range balls is constantly damaging your fabric range banners then you need to try our range of highly visible, high impact range banners.

Our range banners are manufactured by engraving an extremely durable, UV stable, recycled plastic with any yardage in a range of colours.

Recycled Plastic Range Banners are available in many different colour schemes.  
 Get in touch today to find out more info.

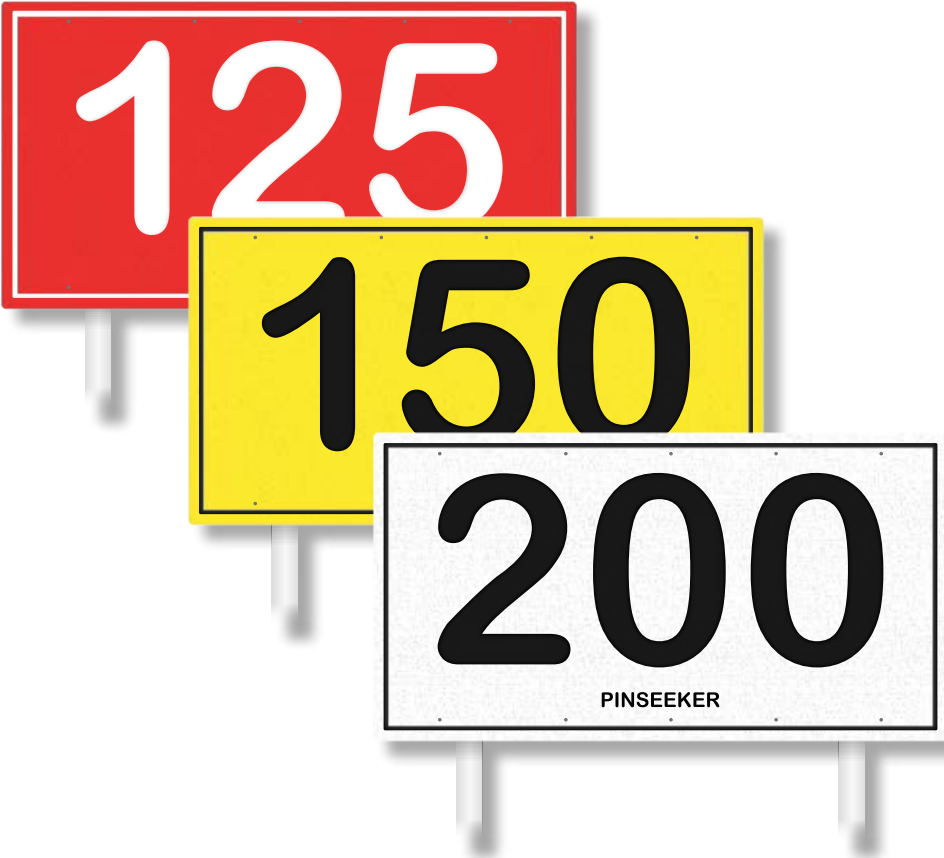

## Vertical Engraved Range Banner

Recycled Plastic Driving Range Distance Marker - C/w Aluminium Ground Sleeves.

Size: 1520mm x 300mm x 12mm

Product Code: DR-BAN-VER

## Horizontal Engraved Range Banner

Recycled Plastic Driving Range Distance Marker C/w Aluminium Ground Sleeves.

Size: 1120mm x 600mm x 12mm

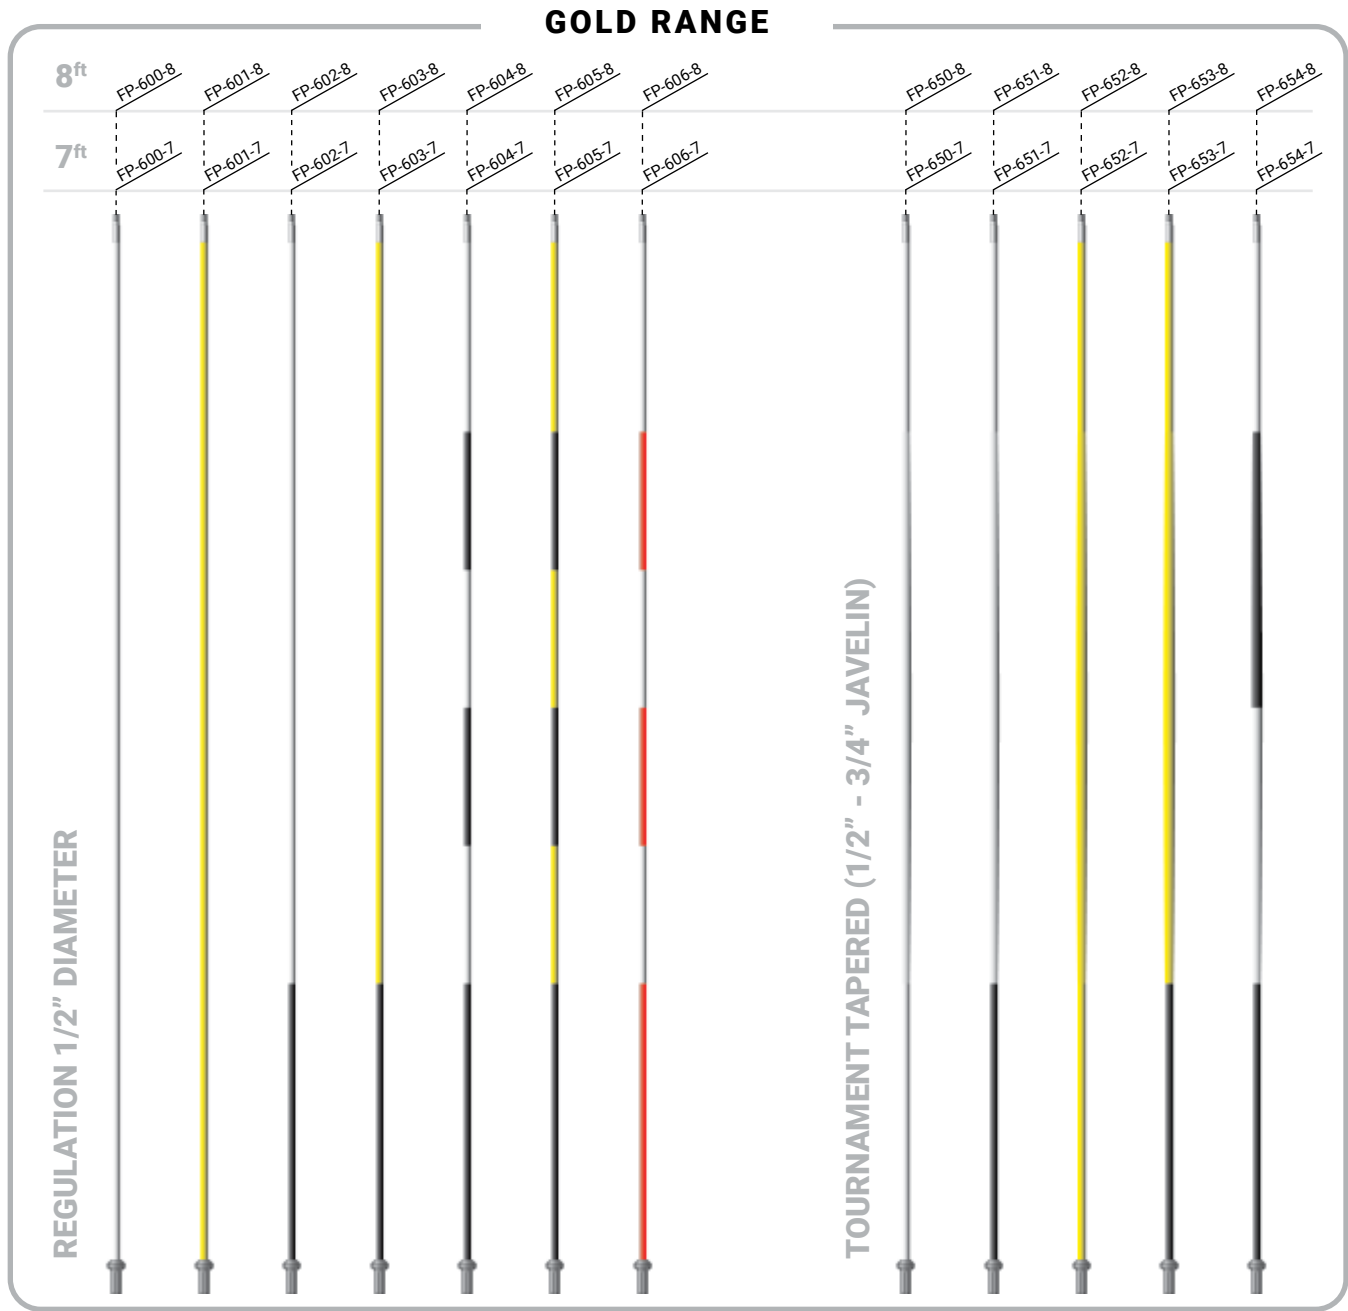

Product Code: DR-BAN-RCT

# CUSTOM FLAG PINS

We manufacture and supply flag pins to courses all around the world with thousands of different variants available:

- Available with Ferrules to suit either US or UK hole cups and in either metal or plastic.
- A wide range of stripping patterns to suit any courses branding.
- Sizes available from small pins to suit a practise putting green to extra tall pins for courses that prefer a taller pin.
- Our pins also come in a range of gauges from slimmer tournament pins to tapered javalin pins which taper toward the middle of the pin for extra strength.
- We only use the best quality materials designed to retain colour and provide long lasting durability through Vinyl Guard Sleeving.

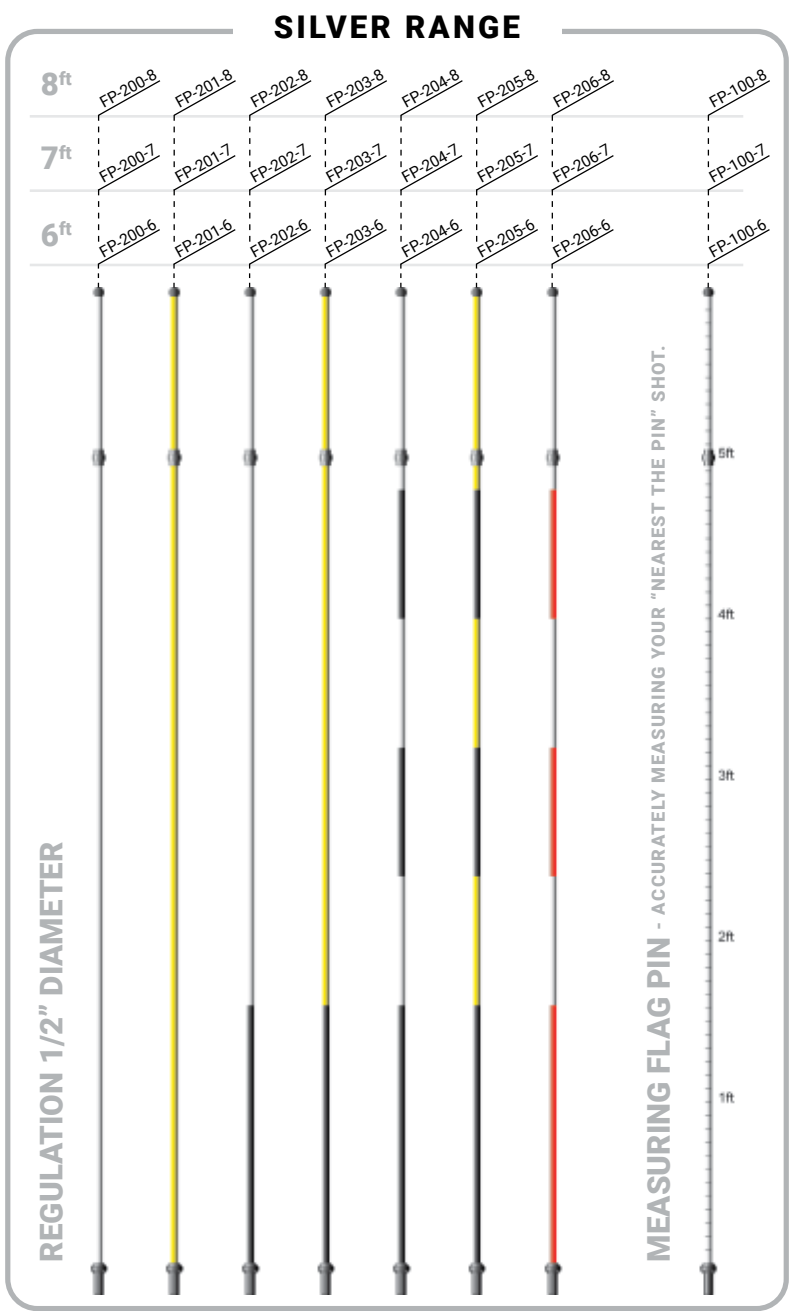

The Silver Range are standard fibreglass flag pins available in a variety of colour combinations with Vinyl Guard stripping patterns and supplied with an adjustable locking swivel attachment.

**SUITABLE FOR TIE-ON & VELCRO FLAG TYPES ONLY**

All Pinseeker Silver Range Flag Pins come with a choice of UK or US nylon locking bottom ferrules. **Please add "UK" or "US" after order code when ordering.**

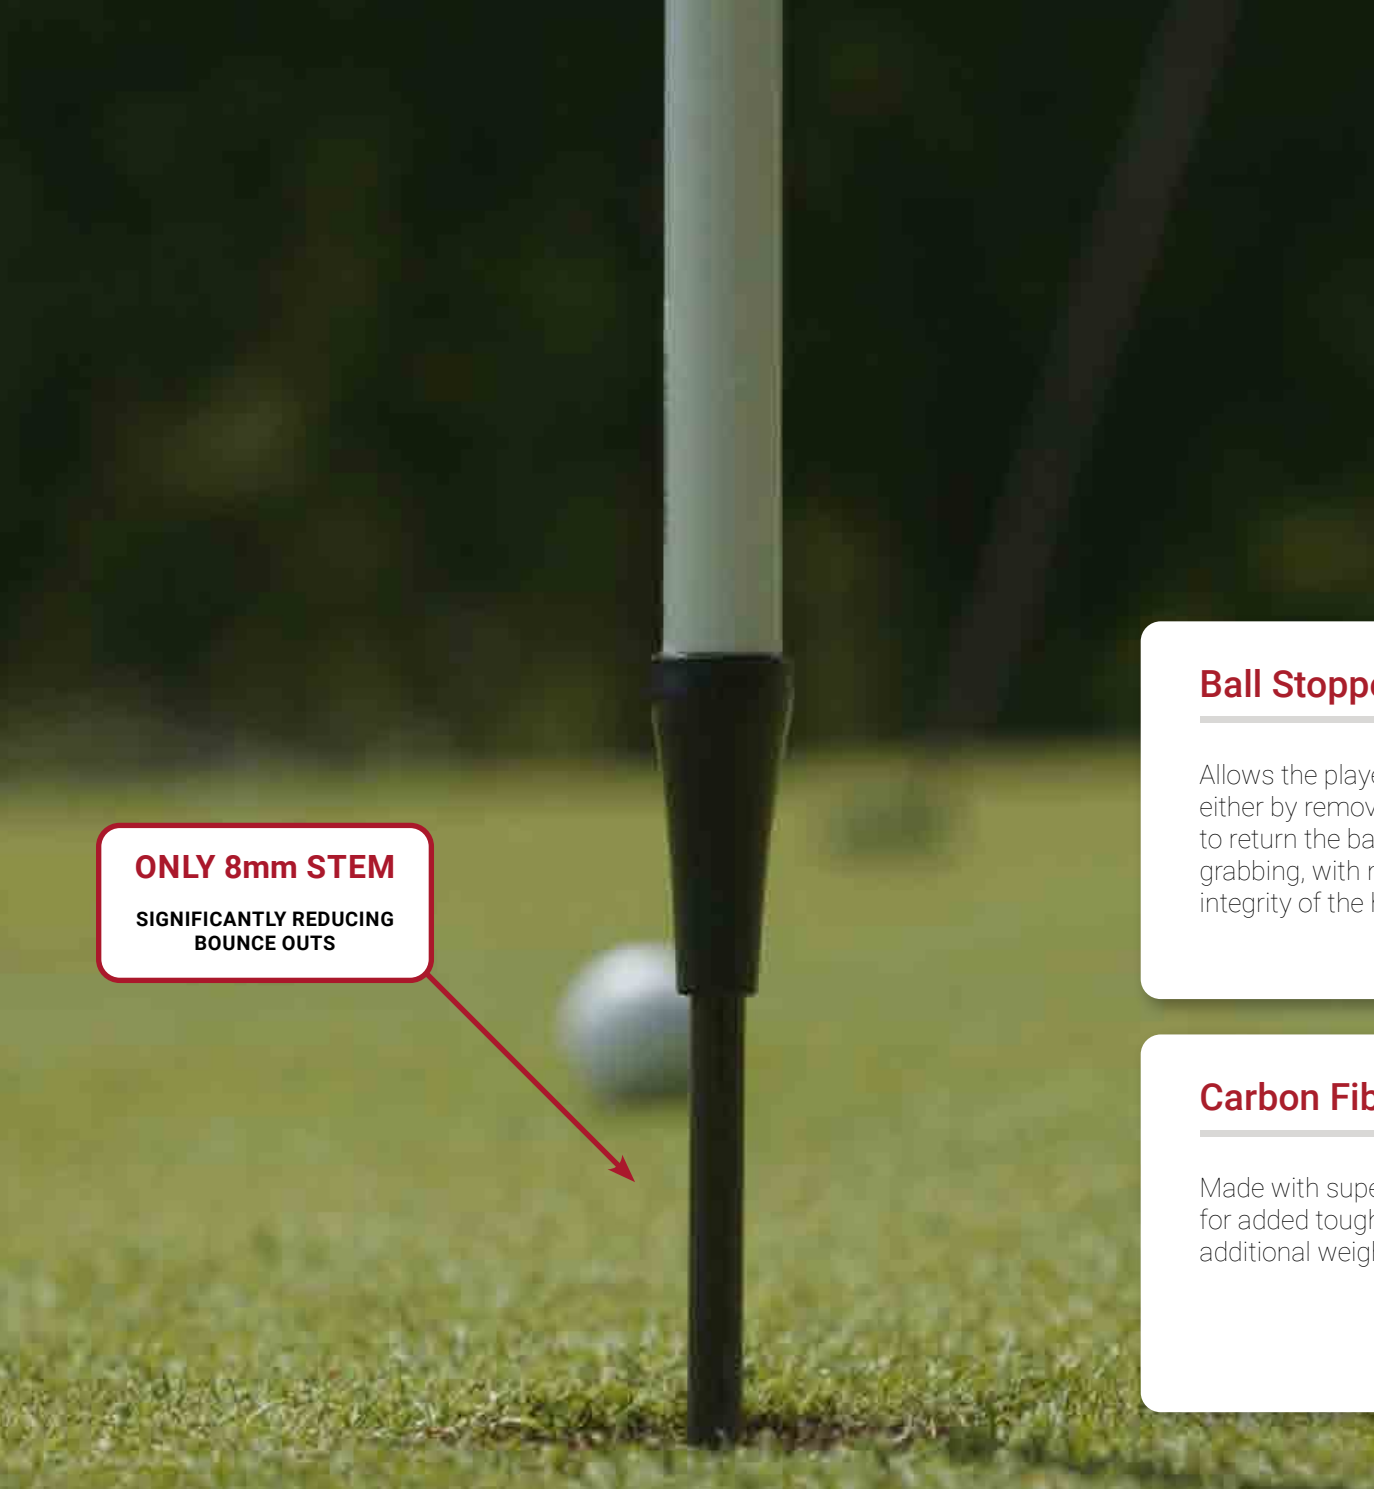

Heavyweight zinc die cast ferrules can be added if required

**5/8" HIGH WIND PINS ALSO AVAILABLE**

SIGNIFICANTLY REDUCING  
BOUNCE OUTS

# INTRODUCING Slim-Pin™

A combination of cutting edge design and modern materials makes this new design the latest innovation in flag pin development and takes the conventional flag pin in to a whole new era.

Suitable for use with standard tube lock flags or the Pinseeker "Click Fit" system.

## Ball Stopper

Allows the player to remove the ball from the cup either by removing the pin and allowing the stopper to return the ball or by reaching into the cup and grabbing, with neither method damaging the integrity of the hole.

## Carbon Fibre

Made with super strong carbon fibre components for added toughness and durability without adding additional weight to the pin.

# THE FUTURE OF FLAGPINS IS HERE

Don't get left behind, try the Pinseeker Slim-Pin now, your members will thank you for it!

# FLAGS

We are proud to supply flags to courses all around the world. We have a wide range of golf course flags for sale, including all standard flags required for course wayfinding, plus bespoke flags that allow for your course logo to be branded on your flags. We use only high quality materials in our production process to create a wide range of flags of sizes and fittings to suit any course and location. From small putting green flags, to larger clubhouse flags and high wind flags for coastal courses.

## Embroidered Flags

A truly high end product that will impress your members and add an additional sophisticated feel to your green. We can also create embroidered captains flags for an additional charge.

## Dye Sub Printed Flags

The classic branded flag. With our top of the range printing equipment and techniques we can offer an almost endless range of colours and can match your brand guidelines perfectly.

## Tube Lock Fixing

Our standard flag fixing. Designed to fit our Gold Range of Flagpins.

## Tie-On/Velcro Fixing

We also sell flags with alternating fixings than our tube lock system such as tie-on and velcro fixings.

## Mistral High Wind Flags

Is the wind destorying your flags as soon as you put them out? Here at Pinseeker, we sell flags made of a perforated material for more windy courses.

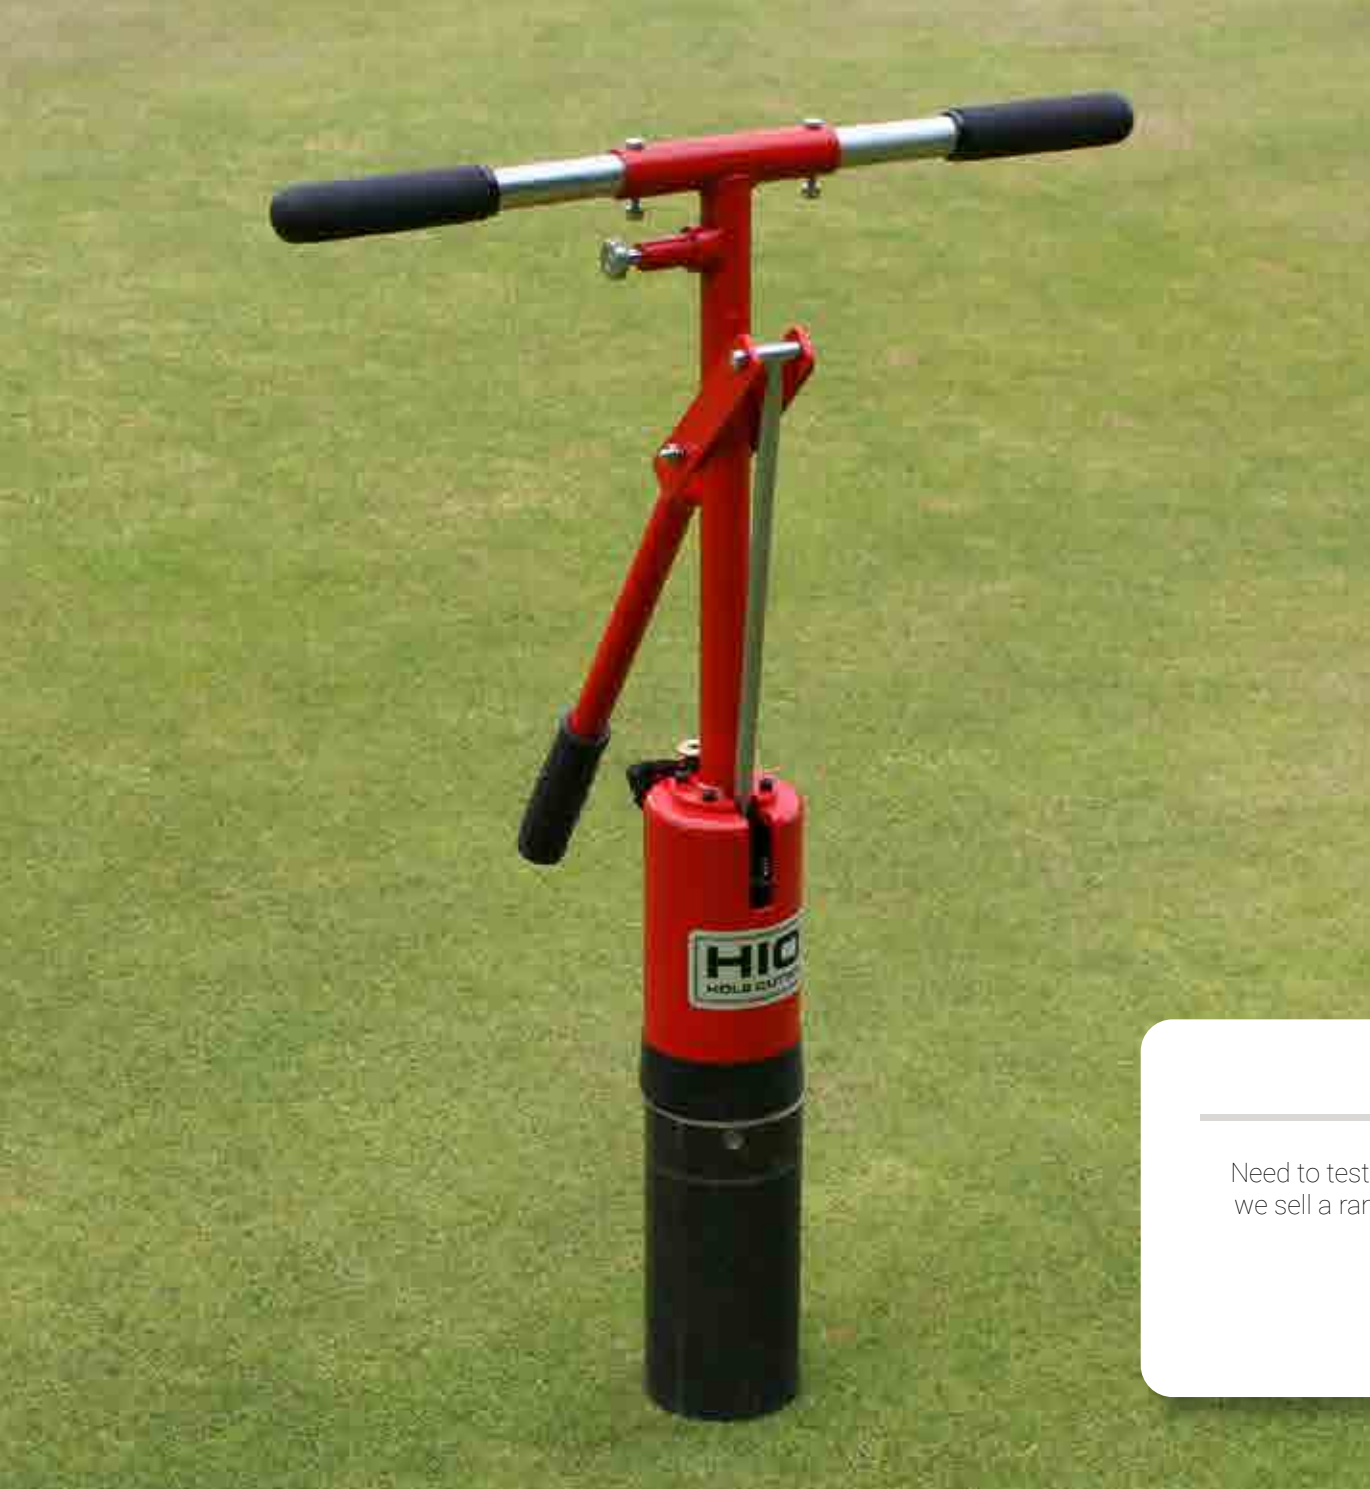

## Pennant Flags

Do you prefer that regal look? Then maybe a pennant shaped flag is more for your club.

Visit **Pinseeker.co.uk** today and use the **Flag Configurator** to create the perfect flag for your course

# HOLE CUTTERS

Cut the perfect hole every time, no matter if you are cutting into finer soil or a more clay base, with one of our range of hole cutters.

Get in touch today for more information and to find out what cutter would be best for your course.

Replacement blades also supplied.

## Rhino Hole Cutter

The Rhino twin blade hole cutter has been designed to take on all ground conditions. Zinc plated finish. Precision ground and hardened blades. Adjustable height handle.

Product Code: **HCT-200**

## Soil Sampler

Need to test the quality of your soil? At Pinseeker we sell a range of soil samplers that can tell you quickly what you are dealing with.

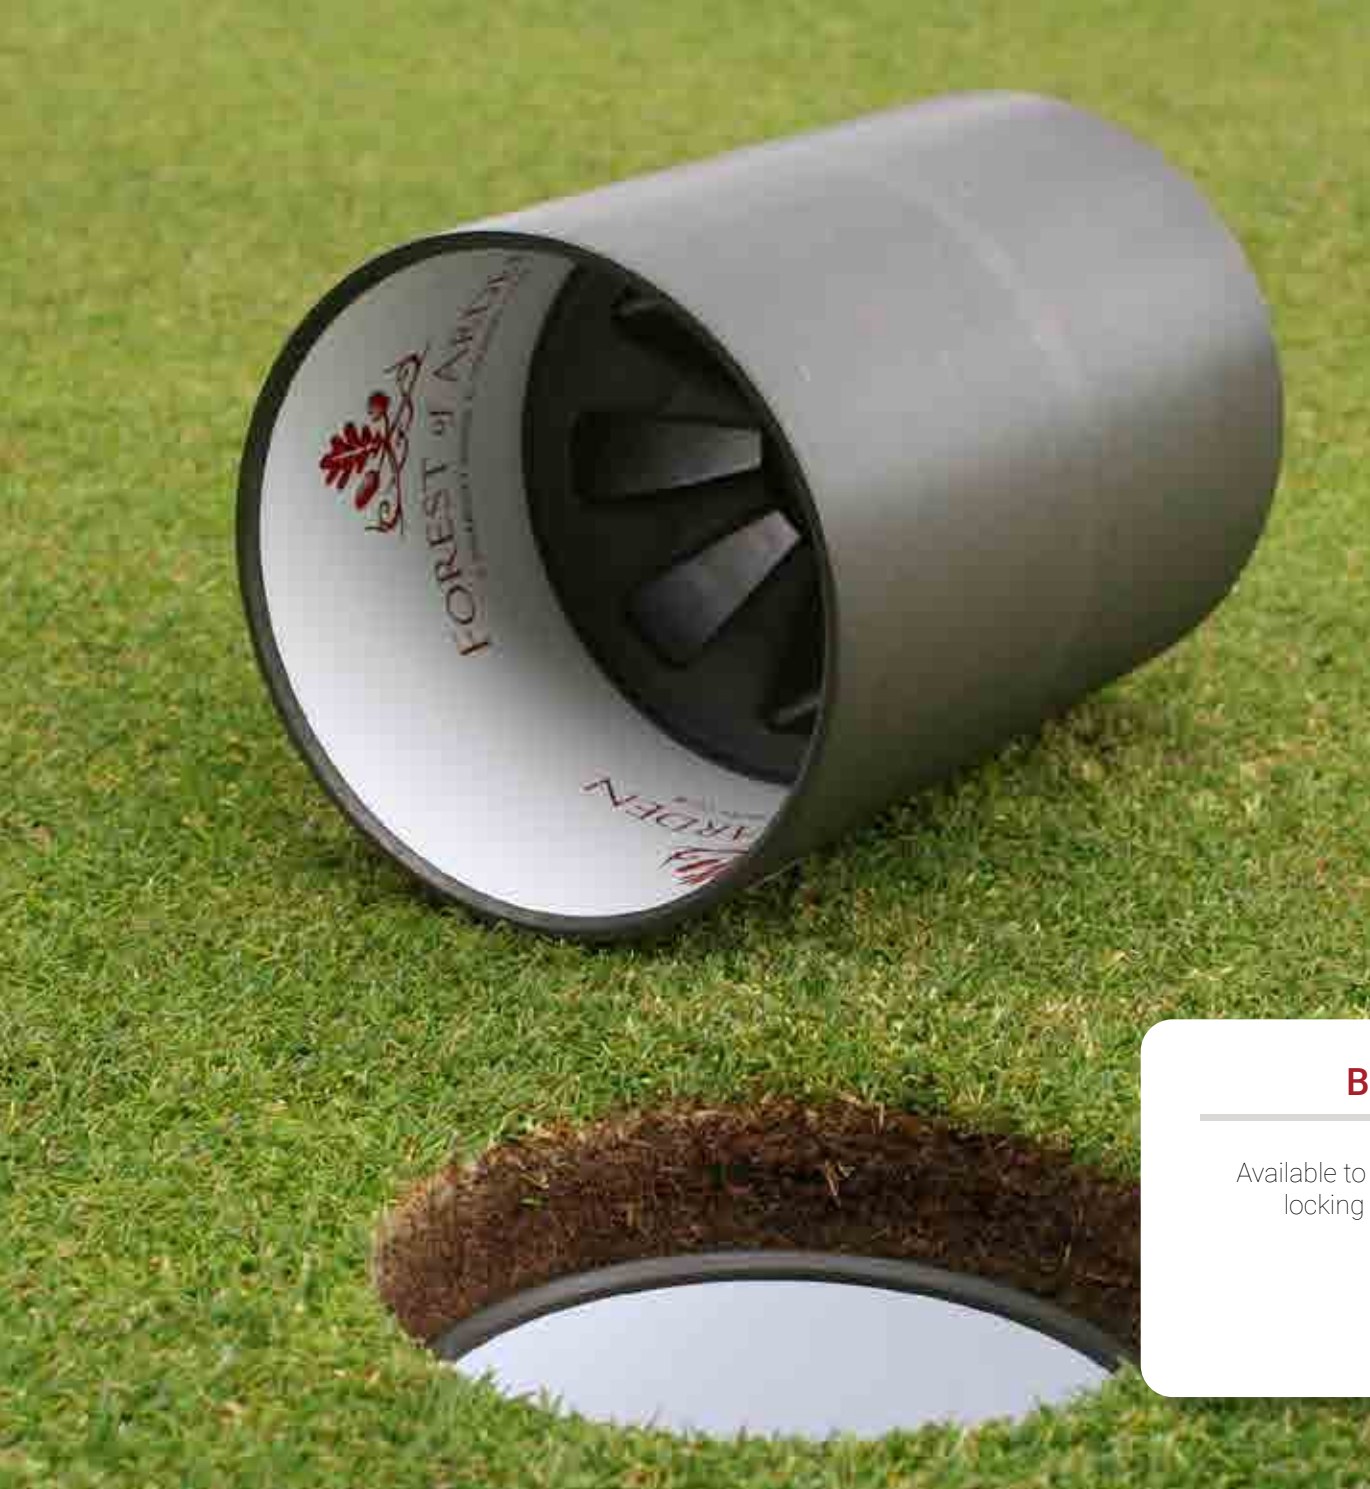

# TRUST IN THE BRAND

**Wherever golf is played in the world you can be sure we have the product for you**

Visit the website for more details  
**[WWW.PINSEEKER.CO.UK](http://WWW.PINSEEKER.CO.UK)**

# ALUMINIUM PRO HOLE CUPS

The aluminium Pinseeker PRO Hole Cup has been in production for over 15 years now and is used by many of the top courses throughout the UK & Europe. Supplied as standard with a white speedwrap liner but also available with a branded speedwrap liner, for the added benefit of displaying your club or corporate sponsor's logo. Making this cup very versatile, and a potential revenue stream.

Product Code: **HC-106-US / HC-206-UK**

## Branded Hole Cup Sleeves

Available to suit US/UK ferrule fitment types and locking ferrule system ensures unnecessary premature wear to your flag pins.

# ABS HOLE CUPS

## Plastic Pro Cup

The internal profile of the cup and ferrule configuration combine to ensure the flag pin does not lean, twist or rotate.

Product Code: **HC-106-US / HC-206-UK**

## Practice Putting Green Cup

Our Practice putting green hole cups are produced with exactly the same internal configuration as the Pinseeker PRO hole cup using high impact ABS for durability. Available in US fitting only.

Product Code: **HC-110**

## Green & White Pro Cup

The Pinseeker dual colour PRO Hole Cup and ferrule combination can be found on hundreds of courses throughout the UK & Europe.

Product Code: **HC-106-G-US / HC-206-G-UK**

## Economy Cup

An economical locking polymer UK hole cup which is an ideal partner for our Silver Range of economy flag pins. Available to suit UK ferrules only.

Product Code: **HC-200**

## Winter Hole Cup

The oversized 6" diameter polymer hole cup is perfect for winter or temporary greens.

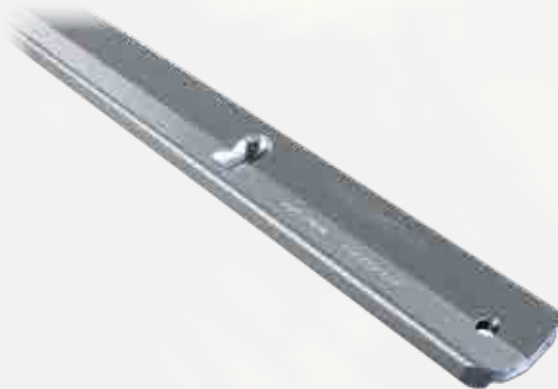

Product Code: **HC-103-US / HC-203-UK**

# GREENS MAINTENANCE

Visit the website to view the full range  
[WWW.PINSEEKER.CO.UK](http://WWW.PINSEEKER.CO.UK)

## Speedmeters

The original BAYCO greens speedmerer. It measures 915mm long and is made from an extruded aluminium bar with a milled base to reduce bounce as the rolling ball makes contact.

Product Code: **GM-130**

## Roller Squeegee

A roller squeegee featuring a 610mm wide head with a heavy duty aluminium frame and a powder coated handle.

Product Code: **GM-110**
