*making life warmer®*

***Our 2025/26 Heat Holders range is our largest yet.***

***We have added many new lines while still keeping our core range of excellent sellers***

**THERMAL YARN**  
Our advanced Japanese designed thermal yarn provides performance insulation and softness.

**THERMAL LOOPS**  
Our UK PATENTED long looped cushion pile holds more warm air to increase the TOG rating.

**THERMAL BRUSHING**  
Our expert brushing process maximises the amount of warm air held inside each sock.

**THE SCIENCE  
BEHIND OUR SOCKS**

***Heat Holders are scientifically tested to be the warmest thermal sock Others cant match their combination of quality, softness, style and warmth***

This year we have not only added additions to our current range but we have also added new ranges such as thermal vests and slippers giving an even more comprehensive one stop shop
