Petroshops are a wholesaler covering the whole of Scotland. We have over 3000 lines of stock, many of which are listed in this brochure.

Our range is second to none and includes car care & lubricants, confectionery, maps, batteries and toys.

We also supply seasonal products such as screenwash, charcoal and buckets and spades with the range changing throughout the year.

We provide monthly promotions, point of sale and can also provide a merchandising service to maximise your profits!

Located in Dundee, we specialise in supplying forecourts but also convenience, leisure, pharmacy, hardware and farm shops throughout Scotland. We were established in 1987 and are a member of the Alliance Distribution Group (ADG) which has 3 strategically placed wholesalers serving the whole of the UK. ADG is dedicated to offering a high level of expertise and customer service combined with the benefits of group buying and central invoicing, as well as providing local expertise and a high level of customer service.

We have 3 representatives on the road covering the entire country.

They are there to help and give expert advice on the best range of products to suit your needs.

Please contact our office on 01382 400022 for details of the rep in your area.

Please browse through our brochure and contact us if you would like anymore information or to place an order.
